Becker, Glynn, Muffly, Chassin & Hosinski LLP Joins ALFA International as Its Corporate Transactions and Business Litigation Member in New York City

ALFA International (ALFAI) is delighted to announce Becker, Glynn, Muffly, Chassin & Hosinski LLP has joined the ALFAI network as New York City's Corporate Transactions and Business Litigation member, effective December 17, 2024.

Becker Glynn is a general practice corporate law firm that was founded over 50 years ago and is located in midtown Manhattan. The firm has approximately 40 attorneys and prides itself on its unique approach, focusing equally on representing domestic and overseas clients in Europe, Latin America and Asia.

The firm's corporate transactional practice is comprehensive, encompassing debt and equity financings as well as mergers & acquisitions, including majority acquisitions, joint ventures, minority investments and related financing aspects. Becker Glynn advises on transactional matters in many industries and regularly acts as "outside general counsel" for several clients. Notably, the firm specializes in acting as commercial litigation counsel to non-U.S. clients who may be unfamiliar with the unique aspects of U.S. litigation, such as the discovery process.

Becker Glynn has appointed Jordan Stern, Robin Alperstein, Patrick O'Brien and Eric Kuhn as its Contact Partners. The firm's members will actively participate in ALFAI's Business Litigation, Corporate Transactions and Women's Initiative Practice Groups and the Asia, Europe and Latin America Regional Groups.

Jordan Stern commented, "We are confident that ALFAI is the right fit for Becker Glynn because of the network's collegial atmosphere among its high-quality, broad-based member firms, its robust series of events and client-inclusive approach. We expect the relationship will be mutually beneficial, where our firm gains a strong network of trusted firms, and we serve as a resource and potential reference for network members, both internationally and domestically."

Jessica Zaroski Bauer, ALFAI's CEO, added, "We've been searching for a firm in New York City that can handle complex corporate M&A work, and that is exactly what Becker Glynn offers. Their extensive corporate services, strong business litigation attorneys and in-depth international focus align perfectly with our network's needs. We look forward to their active involvement in the network."
